Finally recover,  
And the mood is right,  
Lookin' up into a neon sky,  
Child of me takes over,  
Guess it's been too long,  
Since the last time that,  
I tried to fly...

Finally I fly,  
When I lose control,  
Inside my body crumbles,  
It's like therapy,  
For my broken soul,  
Inside my body crumbles

All I need's a moment,  
Chance to get away,  
From the stressfulness of every day,  
Know if i don't question,  
And I never doubt,  
Everything is gonna be okay...

Finally I fly,  
When I lose control,  
Inside my body crumbles,  
It's like therapy,  
For my broken soul,  
Inside my body crumbles...

I don't know if I'll be alright,  
I don't know if I'll be alright,  
It's okay to be myself..  
I don't know if I'll be alright,  
I don't know if I'll be alright,  
I'll never have to fight,  
It's alright

Finally I fly,  
When I lose control,  
Inside my body crumbles,  
It's like therapy,  
For my broken soul,

Inside my BODY....

Finally I fly,  
When I lose control,  
Inside my body crumbles,  
It's like therapy,  
For my broken soul,  
Inside my body crumbles...
