Iâ€™m over it.  
You see Iâ€™m falling in a vast abyss  
Clouded by memories of the past  
At last I see

I hear it fading  
I canâ€™t speak it  
Or else you will dig my grave  
You feel them finding  
Always winding  
Take my hand  
Now be alive

You see I cannot be forsaken  
Because Iâ€™m not the only one  
We walk amongst you  
Feeding, raping  
Must we hide from everyone

Iâ€™m over it  
Why canâ€™t we be together?  
in reset  
Sleeping so long  
Taking off the masks  
At last I see

My fear is fading  
I canâ€™t speak it  
Or else you will dig my grave  
You fear them finding  
Always winding  
Take my hand  
Now be alive

You see I cannot be forsaken  
Because Iâ€™m not the only one  
We walk amongst you  
Feeding, raping  
Must we hide from everyone

You see I cannot be forsaken  
Because Iâ€™m not the only one

We walk amongst you  
Feeding, raping  
Must we hide from everyone

Everyone  
Everyone
