Take a walk down the aisle  
at the end of the mile  
give your life to my charms  
in the Admiral's Arms

The hunger inside given to me makes me what I am  
Always it is calling me, for the blood of man

Chorus:  
They say I cannot be this I am jaded  
Hiding from the day  
I can bear, I cannot tame the hunger in me  
Oh I say I did it, always searching  
you can't fuck with fate  
So, instead you'll taste my pain

The hunger inside given to me makes me feel alive  
Always out stalking prey  
In the dark I hide  
Feeling, Falling, Hating, Feel like, I am fading, hating  
LIFE!

Chorus:  
They say I cannot be this I am jaded  
Hiding from the day  
I can bear, I cannot tame the hunger in me  
Oh I say I did it and always searching  
You can't fuck with fate  
So, instead you'll taste my pain

You say your life I'm taking  
Always bothering me  
I can't take this anymore  
I'm failing, always smothering me  
You look down on me  
Hey, what you see, take  
This gift from me  
You will soon be amazed!

Nothing seems exciting, always the same hiding,  
hiding-----

It's haunting me (x5)
