Walking, waiting  
Alone without a care  
Hoping, and hating  
Things that I can't bare

Did you think it's cool to walk right up  
To take my life and fuck it up  
Well did you  
Well did you

I see hell in your eyes  
Taken in by surprise  
Touching you makes me feel alive  
Touching you makes me die inside

Walking, waiting  
Alone without a care  
Hoping, and hating  
Things that I can't bare

Did you think its cool to walk right up  
To take my life and fuck it up  
Well did you  
I hate you

I see hell in your eyes  
Taken in by surprise  
Touching you makes me feel alive  
Touching you makes me die inside

I've slept so long without you  
It's tearing me apart, too  
How to get this far  
Playing games with this old heart

I've killed a million petty souls  
But I couldn't kill you  
I've slept so long without you

I see Hell in your eyes  
Taken in by surprise

Touching you makes me feel alive  
Touching you makes me die inside

I see Hell in your eyes  
Taken in by surprise  
Touching you makes me feel alive  
Touching you makes me die inside  
(repeat to fade)
