You think you're smart  
you're not, it's plain to see  
that you want me to  
fall off, it's killing me  
let's see you've got the gall  
come take it all

the jury is coming  
coming to tear me apart  
all this bitching and moaning  
come on it's on

i'm trapped in this world  
lonely and fading  
heart broken waiting  
for you to come  
we are stuck in this world  
that's not meant for me  
for me

so what you got?  
one last shot  
it seems to me that you're not needed  
come on it's killing me  
let's see you've got the call  
come take it all

the jury is coming  
coming to tear me apart  
all this bitching and moaning  
come on it's on

i'm trapped in this world  
lonely and fading  
heart broken waiting  
for you to come  
we are stuck in this world  
that's not meant for me  
for me

come on, it's on  
come on, it's on

come on, it's on  
come on, it's on

i'm trapped in this world  
lonely and fading  
heart broken waiting  
for you to come  
we are trapped in this world  
that's not meant for me  
for me  
for me

i'm trapped in this world  
lonely and fading  
heart broken waiting  
for you to come  
we are trapped in this world  
that's not meant for me  
for me  
for me  
for me
