Verse I:

You fell away
What more can I say
The feelings evolved
I won't let it out
I can't replace your screaming face
Feeling the sickness inside

Chorus:

Why won't you die?
Your blood in mine
We'll be fine
Then your body will be mine

Verse II:

So many words
Can't describe my face
This feeling's evolved
So soon to break out
I can't relate
To a happy state
Feeling the blood run inside

Repeat Chorus

Verse III:

Why is everything so fucking hard for me?
Keep me down to what you think I should be
Must you tempt me and provoke the ministry?
Keep on trying I'm not dying so easily(Repeat)

I will not die...
Why is everything so fucking hard for me?
I will not die...
Why is everything so fucking hard for me?

Repeat Chorus x3
