Iâ€™m to nice for the city
To honest for the game
All the two faced little let downs
Theyâ€™re alle one in the same
When ridding ion the track and field
Thereâ€™s no room for mistakes
Iâ€™ve given everythin I have to give
And I think Iâ€™m ok

So you can keep it on the replay
Keep it on the replay
If youâ€™re not gonna change
You can keep it on the replay
So sadd but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
Iâ€™m gonna be okay

Itâ€™s too cold in the city
Itâ€™s too dark of a life
Some how we end up molded
Iâ€™m not better than the city
I just wann show something more
I deserve a little spac eto bring something out
Of this love we hate like war

So you can keep it on the replay
Keep it on the replay
If youâ€™re not gonna change
You can keep it on the replay
So sadd but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
Iâ€™m gonna be okay

When you smile
It doesnâ€™t have to be so serios

Let it go, I know of everything
That stands between us

So you can keep it on the replay
Keep it on the replay
If you're not gonna change
You can keep it on the replay
So sad but true
So sad that you
Can't stand up and walk away
So you can keep it on the replay
Keep it on the replay
I'm gonna be okay
