"Such A Shame"

Such a shame to believe in escape.
'A life on every face'
But at least it's a change,
until I'm finally left with
the '8'. Tell me to relax.
I just stare. Maybe I don't know if
I should change a feeling that we share.

It's a shame, such a shame.
Number me with rage
Number me in haste
This eagerness to change the dice decide my fate
In these trembling hands my faith tells me to react
"I don't care" Maybe it's unkind if
I should change
It's a shame
Number me with rage
Number me in haste
Write across my name 'Such a Shame'
