Dum,
Da da da da dum, duh da da da da dum (8 times)

I was checking you out
But you didn't even know
That I was about,
I saw you when you were outfront
You were parking your car,
You looked at me and said
Da da da da dum, duh da da da da dum

Cause, when I hit you last night
You were screaming
"Baby baby baby hit me all night"
Just give me all the sex thing
You know I got the best thing
So baby don't be shy...

Dum,
Da da da da dum, duh da da da da dum (4 times)

Hit you from the back
Hit you from the side
Hit you in the middle
Make you wanna ride (4 times)

Dum,
Da da da da dum, duh da da da da dum (4 times)
