I'm waiting
For you (For you)
I'm waiting
For you (For you)
[Verse]
I'm waiting for you to fall behind
And leave me with a face of being pleased
When it's not right
But maybe I don't know
I want to see your face in the dirt
I want to see your when you're hurt
And bruised and bleeding on my floor
And I know it's wrong
And I know but I don't care
[Chorus]
Your trust is nowhere near (Near)
And it tears me up inside
To know you
And who you think you are
(Who do you think you are)
Don't think you're getting off that quick
(Who do you think you are)
'Cause I can't take this
I won't break this down
[2x]
Who do you think you are?
Who do you think you are?
[Verse]
[Chorus]
Who do you think you are?
Who do you think you are?
(Who do you think you are?)
Who do you think you are?
Who do you think you are?
[2x]
I'm waiting
For you
'Cause I'm sick of digging this out
I'm sick of working this out
I will not go around
Waiting for you

For you
Your trust is nowhere near
And it tears me upside
To know you
And who you are
And who you are
And who you are
Who do you think you are?
Who do you think you are?
[Chorus]
'Cause I'm sick of digging this out
For you
'Cause I'm sick of working this out
I will not go around
Waiting for you
For you
