Sitting on the stairs by your house
And Iâ€™m waiting for you to come out
But I wonâ€™t be held responsible
No, I canâ€™t be held responsible

For every lie that you have ever told
Because youâ€™ve told so many
And Iâ€™ve been waiting for the truth to fall
From your lips and your breath again

[Chorus:]
See me when you sleep
â€™Cause youâ€™ve been dreaming
Faded memories
That we once shared
And Iâ€™ll be waiting for
You to fall on your knees

Your knees again

Sitting on the stairs by your house
And Iâ€™m waiting for you to come out
But I wonâ€™t be held responsible
No, I canâ€™t be held responsible

[Pre-Chorus]

[Chorus]

Your knees again

[Chorus 2x]

Your knees again
