[Verse]

This is your time  
One of the many  
Times in your life  
When I think you're pretty wrong  
Wrong to believe it's over  
When will you see  
The beautiful angel he's made you to be  
Just look up and open your eyes  
He waits for the day  
That you decide in him

[Pre-chorus]

All fears aside  
Arms open wide  
The glory and wonder  
When he sees an angel  
'Cause he sees an angel in you

[Chorus]

Believe me when I say  
That hope and love are everything  
And we need nothing more  
Than what we've got  
Than what we need

[Verse]

[Pre-Chorus]

[Chorus]

('Cause what he sees)

('Cause what he sees)

[2x]

'Cause what he sees is everything  
'Cause what he sees is you  
'Cause what he sees is you

[2x]

Because what he sees is everything  
Because what he sees is you
