[Verse 1]

My nightmare's never ending  
Of sin-filled frustration gone  
but not alone

Darkness falls around me  
But I still hear them sing  
The angels call to me

[Chorus]

Caught in a nightmare  
And I can't get out on my own  
And I can't get out on my own

[Verse 2]

I'm feeling so cold and I know that  
It's killing me inside  
I don't have much more time  
To try to find out what's with my life

[Chorus]

Why?  
Why did we stop trying?  
Why did we stop trying?

[2x]

Things could be perfect now  
Why did we stop trying  
Why did we  
This could be perfect  
This could be perfect for us
