And Iâ€™ve been made to feel so bad
And Iâ€™ve been made to feel so wrong
And I donâ€™t wanna feel these things
Iâ€™ve felt for so long

Just let go
Your hypocritical stereotypical life
Is staring me down
And for what, â€™cause what have I done wrong?

Donâ€™t look back, you gotta believe me
â€™Cause I donâ€™t keep you shallow
Itâ€™s easy, itâ€™s alright (Itâ€™s alright)
Itâ€™s alright (Itâ€™s alright)
And if you believe in what you see
Will you believe me when I say,
â€™Itâ€™s alrightâ€™ (Itâ€™s alright)
Itâ€™s alright

â€™Cause I donâ€™t wanna have to feel bad
And I donâ€™t wanna have to move on
And I donâ€™t wanna feel these things
Iâ€™ve felt for so long
(Donâ€™t you look at me with those eyes)
â€™Cause I donâ€™t wanna have to feel bad
And I donâ€™t wanna have to move on
And I donâ€™t wanna feel these things
Iâ€™ve felt for so long
(Donâ€™t you look at me with those eyes)

Just let go
Your hypocritical stereotypical life
Is staring me down
And for what, â€™cause what have I done wrong?
You got something to say
Say it to my face
I wonâ€™t stand for this disgrace of my own name
So please just tell me straight

[Chorus]

Just let go

Your hypocritical stereotypical life
Is staring me down
And for what, 'Cause what have I done wrong?
You got something to say
Say it to my face
I won't stand for this disgrace of my own name
So please just tell me straight

[2x]

'Cause it's alright
'Cause it's alright
'Cause it's alright
Don't you look at me with those eyes

Just let go
Your hypocritical stereotypical life
Is staring me down
And for what, 'Cause what have I done wrong?
You got something to say
Say it to my face
I won't stand for this disgrace of my own name
So please just tell me straight

'Cause it's alright
(And I won't stand for this disgrace of my own name)
'Cause it's alright
(So please just tell me straight)
