

Quick And The Dead "The Imperfect Hands"

If this is home, Iâ€™m alone
Iâ€™ve never felt this cold
If this is life then itâ€™s my end
I lived and died with imperfect hands
(Today)

[Chorus]
These imperfect hands will not see
But I believe...
These imperfect hands

And Iâ€™m not the only one

If this is hope then Iâ€™m all out
Iâ€™ve built my ship but itâ€™s run aground
If this is love Iâ€™ve had enough
I could use more but Iâ€™ve had too much
(Before)

[Chorus]

And Iâ€™m not the only one

[2x]
Do you care?
(Do you care?)
(Do you care?)
(Do you care?)
(Do you care?)

Do you care?
But I believe

[Chorus 2x]

These imperfect hands!
