We are after you Mr. mustard  
I'll show you how it's done  
We are after you Mr. mustard  
Let me tell you how it's done  
We are after you  
They are after you  
We are after you  
They are after you

And if I choose to remind you  
Your life is pretty short  
Just come and ask Mr. Mustard  
He will tell you how it's done

She came from the water  
He came from the sun  
They show afterhours when you are alone

When you are alone

All right
