No one's gonna cry

The war is here and now.

Brake down

Defeated!

Pieces of my heart

It's bitter!

N' there is no revenge.

The world is taken

And I'm not gonna cry.

We kill before we die

We kill before we die

Brake down

No remorse, no remorse

What's done is done

It could be worst.

Come on baby, don't mean maybe

I will show you the way

Long live the bastards

The master of wolves...
