DAMIR - Intro Skit

My name is Damir, D is for Don  
A is for AMO, I got in my lungs  
M is for Macho , I know I ain't a fake  
Step to me, I scrape your head like a yard rake  
The I is for intelligence, nah, it's or infection  
My rhyme is like a disease, incurable inspection  
R is for Rude Boy.  
No I ain't Jamaican.

But I got Jamaican friends that will trim your down like  
bacon.

My music is serious don't take it for a joke  
I didn't come here to fade out  
Like the kid in Different Strokes  
My name is Damir  
I'm here for the kill  
Welcome to my MYSPACE page  
That's MYSPACE / D A M I R 1

Buyaka!
