I hold you, I touch you  
In a maze can't find my way  
I think you, I drink you  
I'm being served to you on a tray

You see girl  
That's what I go through every day  
Is this the way it should feel?

Pinch me, I'm dreaming  
But if it is don't let me know  
I'm drowning, don't save me  
It's just the way I'd like to go

You see girl  
You thrill me, half kill me  
That's what you do

Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

Before my heart saw you  
Each day was just another day  
Night the lonely interlude just came  
Then blow away

You know, girl  
Everything was come what may  
Until you fell in my life

This spell that I'm under  
Has caught me, I'm in a daze  
Your lightning and thunder  
Sets my poor heart ablaze

You see girl  
You thrill me, half kill me

That's what you do

Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else

Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

I hold you, I touch you  
In a maze can't find my way  
I think you, I drink you  
I'm being served to you on a tray

You see girl  
That's what I go through every day  
Is this the way it should feel?

Pinch me, I'm dreaming  
But if it is don't let me know  
I'm drowning, don't save me  
It's just the way I'd like to go

You see girl  
You thrill me, half kill me  
That's what you do

Ai no corrida, that's were I am  
You send me there  
Your dream is my command  
Ai no corrida, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

Ai no corridá, that's were I am  
You send me there  
Your dream is my command  
Ai no corridá, I find myself  
No other thought  
Just you and nothing else

Ai no corridá, that's were I am  
You send me there  
Your dream is my command  
Ai no corridá, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

Ai no corridá, that's were I am

Your dream is my command  
Ai no corridá, I find myself  
No other thought  
Just you and nothing else  
You and nothing else

Ai no corridá, that's were I am  
You send me there  
Your dream is my command  
Ai no corridá, I find myself  
No other thought  
Just you and nothing else
