Everything must change
Nothin' stays the same
Everyone will change
No one stays the same

The young become the old
And mysteries do unfold
'Cause that's the way of time
Nothin' and no one goes unchanged

There are not many things in life
You can be sure, except
Rain comes from the clouds
Sun lights up the sky
And hummin' birds do fly

Winter turns to spring
A wounded heart will heal
But never much too soon
Yes, everything must change

The young become the old
And mysteries do unfold
'Cause that's the way of time
Nothin' and no one goes unchanged

There are not many things in life
You can be sure, except

Except rain comes from the clouds
Sun lights up the sky
And hummin' birds do fly

Rain comes from the clouds
Sun lights up the sky
And hummin' birds do fly

Rain comes from the clouds
Sun lights up the sky
And hummin' birds do fly

Rain comes from the clouds

Sun lights up the sky
And music makes me cry
