I don't care what you do
I'm not gonna do it I don't like you
Well you can't be what you love
I know that you wont get far
You're gonna die
You're gonna die
You're gonna die
One day
I see your faces you say
I know that you are just play
One day I'll see
The real you
That'll be the day you're through
You're gonna die
You're gonna die
You're gonna die
One day
One, two, fuck you
Me at you it's war
Not gonna take your shit no more
One day I'll get revenge
That'll be your end
You're gonna die
You're gonna die
You're gonna die
One day
Well I don't care
Well I don't care
Well I don't care
