"I Hate Everyone"

I hate Christians and I hate Jews
I hate my friends and I hate you
I hate the blacks and whites and reds
I hope to see them all dead
[Chorus:]
I'm not prejudiced, cuz I hate everyone
And don't you ask me why, cuz I just think its fun
I hate the politically correct
I hate jocks and I hate rednecks
I hate the corporate fucking clones
I hate faggots and homophobes
[Repeat Chorus]
I hate capitalists and I hate commies
I hate daddies and I hate mommies
I hate straightedgers and I hate drunks
I hate skinhead and I hate punks
[Repeat Chorus]
