Rush Limbaugh don't know shit about,
"The Way Things Ought To Be"
Let's over throw the government,
leave everything to me
I've got a plan, yea
you could call it a vision.
I'll be the dictator
and make all the decisions.
This is my America,
that's how it's gonna be,
I've always wanted my own
nuclear capability
This is my America,
that's how it's gonna be,
This is my America
one nation under me.
This is my America
This is my America
This is my America
This is my America
I've got a plan to deal with all the
sickos on death row,
Gladiator fights'll
be your new favorite show
Confiscate the crack babies
from the hospitals,
Micro-chips in their brains make
cyborg soldiers of 'em all
This is my America,
that's how it's gonna be,
a hedonist police state
from sea to shining sea
This is my America,
that's how it gonna be,
This is my America,
All hail Me!
All hail Me!
All hail Me!
All hail Me!
Concentration camps
for everyone I think's a jerk

That'll be most everyone
and they'll do all the work
Dissidents are put to death
nightly on the tube
Executions will continue
until morale improves.
This is my America,
That's how its gonna be,
I've always wanted my own
nuclear capability
This is my America,
That's how its gonna be,
This is my America,
one nation under me
This is my America x 8
