Don't believe those clouds in the sky
'Cause they'll be movin' on
And the sun will shine
If the world's been passing you by
Just reach out for a star
And you'll realize
Got to put back all the good times that we had
(We can make it better with a little bit of)
Razzamatazz
(Razzamatazz)

If you feel your life's in a rut
Just come on out tonight
And we'll pull you up
Ain't no use in dragging your feet
'Cause something's in the air
That just can't be beat
Got to put back all the good times that we had
(We can make it better with a little bit of)
Razzamatazz
(Razzamatazz)

Bring out the rides with all those white wall tires
Let's go out cruisin' like we used to do
Get suited down, let's set the town on fire
Jump out your seat and let the music pull you through
(We can make it better with a little bit of)
Razzamatazz
(We can make it better with a little bit of)
Razzamatazz

(Guit solo)

Got to put back all the good times that we had
(We can make it better with a little bit of)
Razzamatazz
(Razzamatazz)
Bring out the rides with all those white wall tires
Let's go out cruisin' like we used to do
Get suited down, let's set the town on fire
Jump out your seat and let the music pull you through

You can lay your soul on the line
'Cause we can make it work if we do it right
Got to spread this message around
The people of the world should be getting down
Got to put back all the good times that we had
(we can make it better with a little bit of)
Razzamatazz
(Razzamatazz)
(We can make it better with a little bit of)
Razzamatazz
(Razzamatazz)
(We can make it better with a little bit of)
Razzamatazz
(Razzamatazz)
(We can make it better with a little bit of)
Razzamatazz
(We can make it better with a little bit of)
