Hassidic psychos with a twist,
A crazed obsession for performing Bris
All in black with long side-locks,
And wire strippers for your cocks.
Keep your trousers zippered up tight
Meshugana Moils out tonight
They've got a contract out on you head
They'll circumsive you in your bed
They'll strap you down and prune your putz
Don't wiggle or you'll loose your nuts.
Keep your trousers zippered up tight
Meshugana Moils out tonight
Rabbis with a scalpel to grind
Hold still while they peel your rind
If you dont let them Skin your pud
How can you get barmitzvaed?
Keep your trousers zippered up tight
Meshugana Moils out tonight
You goyim had best watch your backs
Soldiers of foreskin attack!
SOLDIERS OF FORESKIN!!!
SOLDIERS OF FORESKIN!!!
SOLDIERS OF FORESKIN!!!
Hassidic psychos with a twist,
A crazed obsession for performing Bris
All in black with long side-locks,
And wire strippers for your cocks.
Keep your trousers zippered up tight
Meshugana Moils out tonight
You goyim had best watch your backs
Soldiers of foreskin attack!
