

Quo Vadis (Canada) "Break The Cycle"

Visit "[Break The Cycle](#)" on MotoLyrics.com

The road to hell is paved
with good intentions
Dreams can only sustain for so long
turning away with apprehension
life passes you by
Trip over another lost cause
Life goes on.....
Open your eyes, Break the Cycle
Open your eyes, Alone in the crowd (of unscrupulous
minds)
Open your eyes, Break the Cycle
Open your eyes, Open your mind
Hours turn into days of endless struggle
on the road to nowhere
What was once clear, now a distant shadow
why effort is not enough
to stop the tide from washing you away
Lifes goes on....
The acrid smell of deciet
the fuel that transforms notions into sound
Absorbed and fused, minds cofused
into catalytic tone...
Condemns and decries the mistakes
and the lies, and the pain
[solo: Seghers]
[solo: Frydrychowicz]
[solo: Seghers]
The road to hell is paved with good intentions,
dreams can only sustain for so long
Open your eyes,
and break away from your restraints
Let the blind guide your path no more
Open your eyes, Break the Cycle
Open your eyes, Alone in the crowd (of unscrupulous
minds)
Open your eyes, Break the Cycle
Open your eyes, Open your mind
Hours turn into days of endless struggle
on the road to nowhere
What was once clear, now a distant shadow
why effort is not enough
to stop the tide from washing you away

Life goes on
to the road to hell
to rest, after life in pain
