Committing To Sound
What Words Cannot Express
What Lies Cannot Divert
And Rip Into Shreds
Living Snapshots Of Events
A Violent Maze Of Lies
Like Shadows Standing Still
A Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen Faces
The Arrogant And Hollow Crumble
Beneath The Boots Of Truth
Like Silence Standing Still
A Testimony Of Accusations
Carving Out A Frozen Landscape
Filled With Twisted Form,
Of Faceless Cowards
And Frozen Faces
Cowards!
And Frozen Faces
A Crumbling Image, An Empty Shell
Lies Of Which Sustain
Like Statues Standing
Committing To Sound
What Words Will Not Express
What Lies Cannot Divert,
And Rip Into Shreds
Arguments Ablaze!
The Stress Turns The minds Alive
Alive!
