I just wanna let you know I really do care for you [x3]  
Holla at me anytime shorty I'll be here for you

Hey yo ma I cried for you and if you finna get hit  
I'll jump in front of the slug and die for you  
Cause I love you and I wouldn't wanna see you go  
I ain't tryin to keep it on the low I don't care who knows  
That you're my favorite lady it's crazy  
Cause I'm nothin without you baby  
Lately I've been feelin like I'm in love  
Cause it feels good everytime you give me a hug  
I know I said some things to you that you didn't deserve  
And I wish that I could take back all of them mean  
words  
But I can't so I apologize now I'm a be the guy that'll  
keep you satisfied  
I never thought that I would one day settle down  
But I opened up my eyes and realized what I found  
I just wanna let you know I really do care for you  
Holla at me anytime shorty Scan here for you

Girl I know I hurt you in the past  
And I treated you so bad  
But if you give me one more chance baby  
(I promise to make things right)  
[X2]

Hey yo I'm done with them other females all I want is  
you  
Cause you're the one for me and baby I'm the one for  
you  
Sometimes we may fuss and fight  
But I can never see you not being part of my life  
Cause you bought out the better man in me  
We got real close cause you really understandin me  
The bond that we share together is too strong  
Cause we've been together too long  
To let what we have just slip away  
That's why I get on my knees everyday and pray  
But I know we're gonna be okay  
I'm gonna do whatever it takes to make things right  
Girl, even if it takes me my whole life

You're everything I need you're my heart, you're my  
soul  
I'm a never let you go cause you're worth more than  
gold  
I just wanna let you know I really do care for you  
Holla at me anytime shorty Scan here for you

Girl I know I hurt you in the past  
And I treated you so bad  
But if you give me one more chance baby  
(I promise to make things right)  
[X2]

You got me feelin worthless, you know you my purpose  
Give me one more chance ma you know I deserve it  
Just because I st-studder th-that don't mean I'm  
nervous  
(Just because I st-studder th-that don't mean I'm  
nervous)  
I'm just tryin to say that I wanna make it better  
Instead of me being the one you say that you regret it  
I just wanna let you know I really do care for you  
Holla at me anytime shorty Black here for you

Girl I know I hurt you in the past  
And I treated you so bad  
But if you give me one more chance baby  
(I promise to make things right)  
[X4]
