I know I fucked up and I'm sorry  
If I could turn back the hands I would  
And make it all up to you baby  
Be the man that I can and should

'Cause baby I love you so  
And I want you to know  
That I'm gonna miss your love  
The minute you'll walk out that door

Please don't go  
Don't go  
Don't go away  
Please don't go  
Don't go  
Begging you to stay  
Please don't go  
Don't go  
Don't go away  
Please don't go  
Don't go  
Begging you to stay  
Please don't go  
Please don't go

I swear I'll change up  
From the old me  
Give you hope in our future ,girl  
I'll make it better promise baby  
Show you a whole new different new world

'Cause baby I love you so  
And I want you to know  
That I'm gonna miss your love  
The minute you'll walk out that door

Please don't go  
Don't go  
Don't go away  
Please don't go  
Don't go

Begging you to stay  
Please don't go  
Don't go  
Don't go away  
Please don't go  
Don't go  
Begging you to stay  
Please don't go  
Please don't go (x10)  
Don't go away
