

## Qwote "Falling For You"

Visit "[Falling For You](#)" on MotoLyrics.com

If this is what it feels like  
Fallin in love  
Then I'm fallin for you[x4]

I'm trying to explain it  
I don't understand it  
All I know  
I feel it  
Only for you  
Think I'm fallin for you[x4]

I got the symptoms  
Girl, I get anxious (anxious)  
When I think about you  
That I don't see you  
I see your future  
Kids along with cha  
Never thought about this  
Now I think about it

Every day and every night  
I just want you by my side  
Feels like I'm on cloud nine  
That's how good I feel inside  
Everything with you is right  
Wanna spend my whole life with you  
With you girl

If this is what it feels like  
Fallin in love  
Then I'm fallin for you[x4]

I'm trying to explain it  
I don't understand it  
All I know  
I feel it  
Only for you  
Think I'm fallin for you[x4]

Can't seem to focus  
You're the reason for this  
From that pretty smile, girl

To the way you feel, girl  
This gotta be love  
Cause I can't get enough  
I don't wanna lose you  
Girl, I really need you

Every day and every night  
I just want you by my side  
Feels like I'm on cloud nine  
That's how good I feel inside  
Everything with you is right  
Wanna spend my whole life with you  
With you girl

If this is what it feels like  
Fallin in love  
Then I'm fallin for you[x4]

I'm trying to explain it  
I don't understand it  
All I know  
I feel it  
Only for you  
Think I'm fallin for you[x4]

I never really felt this way for no girl  
Well then, I don't see my life without you (Without you)  
In my world (My world)  
You're the only one I want (want)  
Baby, indeed  
From the bottom of my heart  
I feel like you're the one for me, girl

If this is what it feels like  
Fallin in love  
Then I'm fallin for you[x4]

I'm trying to explain it  
I don't understand it  
All I know  
I feel it  
Only for you  
Think I'm fallin for you[x4]

I'm fallin for you  
Oh yeahh  
I'm fallin for you[x4]  
Fallin for you
