Qwote ft. T-Pain, Trina, Swazy Baby & Ace Hood - In The Bed

[Qwote]

Hoping we can bite that pillow,
While you grip them sheets.
Hoping we can bite that pillow,

[T-Pain]

We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like,

[Qwote]

We in the bed like two gorillas in the jungle,
Kelly was right, girl I feel like an animal,
Touching your body till you body rubbing my body,
Scratching and screaming and slapping you hard,
I'm on your booty,
Yes, we can blame it on the liquor, (liquor, liquor)
That's what we'll tell the nosy neighbors,
We breakin' things, (breakin' things)
We making noise, (making noise)

We in the bed like,

[Trina]

We in the bed all night until dawn break,
I still got on my heels he want to watch me shake,
Like an earthquake,
All the noises that I make,
No acting going on,
Real faces, nothing fake,
When our lips touch,
I can feel him when he rides,
He moving all inside,
I'm staring in his eyes,
He squeezing on my thighs,
I'm make him loose minds,

I love the way he handle me from working on the side
like,

[T-Pain]

Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like,

[Swazy Baby]

Eyy, Yeah,
Imma make you say,
Like you was sipping this right girl,
There musta been a minute, coz damn that thing tight
girl,
It ain't got no teeth but damn that thing bite,
Decisions I never make girl,
But left the future made it right girl,
We in the bed,
Like them legs, like over my shoulder,
And I love being you,
Coz she ain't got no odor,
Late at night you wake me up,
Like a couple ____?
Dreaming bout me soaking wet now I'm in the ____?
Oh, like clothes on wash day,
Talking bout my baby,
They better watch their mouth,
Look out here, she call me Swazy baby,
Hope you got a psychiatrist coz I drive the lady crazy,

[T-Pain]

We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like,

[Ace Hood]

Ace Hood,
Listen up homie,
Ohh, Ohh, Aah, Aah,
Don't, Don't, Stop, Stop,
Give it to me good from the back,
While you on top chick,
Still you keep it hood,
When I drop the dreadlocks,
Wrap your waist to your ass,
Just to see the bed rock,

Long strokes, baby you know that I'm beat that like a
cop,
Imma beat it every beat until I see your juice drop,
Now you grippin on the bed
Grip, grippin on the bed,
Gotta get your man, gotcha grippin on the bed like,

Bumping till the early morning,
That's what we'll be doing all night,
Bumping till the early morning,
That's what we'll be doing all night,
Rocking that bed,
Flipping them legs,
In and out,
Out and In,
Right before this sex bed session ends,
We'll be doing this baby again,

[T-Pain]

We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like, Ohhh, Ohhh, Ohh, Ohh, Ohh,
We in the bed like.
