I know
Caught up in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
When I think of letting go

I know
Caught up in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
Cry just a little
When I think of letting go

You make it hard for us
I tried to follow your lead
But now I'm real fed up
I never thought it could be
That I'd consider to leave
Thought you mean so much to me
Girl it's a struggle
I'm fighting to stay
Or pack up and leave
In the middle girl you're suffocating me
And I'm trying my best to just breathe
But the thought of leaving love
Is killing me
Meeeee
'Cause I know I don't wanna let it go
I've tried pushed the peddle
Girl I think I'm letting go
I know
I don't want to let it go
I've tried pushed the peddle
Girl I think I'm letting go

I know
Caught up in the middle

I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

I know
Caught up in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

Mr World wide
When I think of letting go

This world full with beautiful girls
Same time I don't know what to do
Look here look there
They're everywhere dog
Can you blame if I want more than two
See things done change
And things ain't the same
It's these women running the game
It's almost like the pretty they are the more they break
your heart
Stop let me start
Pretty eyes, pretty lips, pretty hair, pretty hips, pretty,
pretty
Oh man that's a pretty pretty pretty pretty
I'm tell you like my mama told me
If you want to live a happy life
It's simple dog
Make a ugly women your wife
Hahaha

In the middle girl you're suffocating me
And I'm trying my best to just breathe
But the thought of leaving love
Is killing me
Meeeee
'Cause I know I don't wanna let it go
I've tried pushed the peddle
Girl I think I'm letting go
I know
I don't want to let it go
I've tried pushed the peddle
Girl I think I'm letting go

I know
Caught up in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

I know
Caught up in the middle
I cry just a little
When I think of letting go
Oh no
Gave up on the riddle
I cry just a little
When I think of letting go

When I think of letting go
I think of letting go
I think of letting go
Letting go
I think of letting go
