let's go, let's go, let's go, let's go, let's go,
throw it up in the air
shake it like you don't care
sexy, turn it around
baby, do that kuduro
don't even fight it, try to deny it
let the beat take you over
let ya hair go, drop it below
right now girl nothing matters
winding and spinning all the way around
shorty let me see ya get get down
pop a bottle, a couple more shots
sexy let me see you kuduro now
throw it up in the air
shake it like you don't care
sexy, turn it around
baby, do that kuduro
let me see you get down
go ahead work it out now
oi, oi, oi, oi, oi
[lucenzo]

girl just go crazy
back it up on me
grind it like a private dancer
baby go fast, now slow down
working like a part-time lover
winding and spinning all the way around
shorty let me see ya get get down,
pop a bottle, a couple more shots
sexy let me see you kuduro now.
throw it up in the air
shake it like you don't care
sexy, turn it around

baby, do that kuduro
let me see you get down
go ahead work it out now
oi, oi, oi, oi, oi
do that kuduro
[pitbull]
carita linda, labios sexy
tremendos muslos, tremendo culo
ella es loquita, le encanta la fiesta
pelo largo con las lineas hechas
ya llego el mounstro de la fiesta
yo no quiero VIP ni la mesa
to me quedo en la barra con mi gente
en la lucha siempre
cuantas mujeres el tiene? Como 20
yo te hablo claro pa que estemos mas claro que cloro
que se quede con los diamantes y el oro
que yo soy el lobo
one life, two worlds
