"I Will"

Who knows
How long
I've loved you
You know
I love you still
Will I wait
A lonely lifetime
If you want me
To I will

For if I
Ever saw you
I didn't catch
Your name
But it never
Really mattered
I will always
Feel the same

Love you forever
And forever
Love you
With all my heart
Love you whenever
We're together
Love you
When we're apart

And when at last
I find you
Your song
Will fill the air
Sing it loud
So I can hear you
Make it easy
To be near you
For the things
You do
Endear you to me
You know I will
I will
