Only finger tips away from grasp
Forget me not decorate our past
Not new sensations
All this mess seems as yesterday
Heartache only pushes the thing you want to stay
Open highway, hit the stateline
Love this while we can
Anxiety, sincerity, don't want to lose again
Actions where it's at Yea!
Got no new plan
You may wonder
Is it worth the fight?
Well it is 4 me
Easy come & it goes with ease
One can't deny what has to be
So who's gonna try and kick our ass and see
Oh yea!
Got no new plan
