All of it was wrong
They've taken what they can
Every race has got
Their beef against the man
All they see is flesh
They treat you like a whore
So screw me if you want!
It's not settling the score
Try telling someone
Try telling someone
Tell somebody who cares X4
Now reverse the roles
It will keep you good & pissed!
If you want to fuck yourself
May we suggest your fist!
Try telling someone X2
Tell somebody who cares X4
