Tie your trash up high  
Its return of the swine  
A pork chop with an attitude  
That's it!  
With a shit eating smile  
& A combined IQ of 9  
With only hunger on it's mind  
It starts to drool  
Swine, Swine  
It's around fuckin all the time  
With only hunger on it's mind  
& A combined IQ of 9  
Its return of the swine  
No pets allowed at all  
Everything that they suck & smell  
Anything that keeps them well  
Better off in a dog food can for sale  
Hear the whine, whine, whine
