(Chorus)

Every night up in the club
Gettin' money with the thugs
Thought I never fall in love
Then there was you
And I don't wan to be a player no more
Every night up in the club
Trickin' with a different girl
Thought I never fall in love
Then I met you
Girl you changed my mind

(Verse 1)

Walk up in the club, saw her in the club
At first sight I fell in love
I'm not supposed to be falling in love
'Cuz I'm a hustla and a playa
But she had the baddest body to me
The prettiest eyes I ever did see
Her smile had me gone as soon as she did it
'Cuz shorty got a booty and man I've got to hit it
Lil' mama doin' her thing and I love it
On the floor makin' it swing and I love it
Thick clothes she don't mind when I love ya
And now I can hit it when I want it

(Bridge)

She (she) might be my lover
She makes me want no other
She don't care 'bout going to the strip club
'Cuz she want to go too
And I've never met a girl like you
That makes me want to settle down

(Chorus)

Every night up in the club
Gettin' money with the thugs
Thought I never fall in love
Then there was you
And I don't wan to be a player no more
Every night up in the club
Trickin' with a different girl

Thought I never fall in love
Then I met you
Girl you changed my mind

(Verse 2)

Imma spend my money on her
Pop champagne in the club with her

Hit the mall and take a shopping
I don't know maybe some diamonds for her
She deserves a real baller in her life, and I'm that
man
Who pick still me ladies, let me see your hands

(Bridge)

She (she) might be my lover
She makes me want no other
She don't care 'bout going to the strip club
'Cuz she want to go too
And I've never met a girl like you
That makes me want to settle down

(Chorus)

Every night up in the club
Gettin' money with the thugs
Thought I never fall in love
Then there was you
And I don't wan to be a player no more
Every night up in the club
Trickin' with a different girl
Thought I never fall in love
Then I met you
Girl you changed my mind

(Brakedown)

None of these chicks can fuck with my baby
None of these chicks can fuck with my baby
And none of these chicks can fuck with my baby
Fuck with my baby
Fuck with my baby
None of these chicks can fuck with my baby
None of these chicks can fuck with my baby
None of these chicks can fuck with my baby
Fuck with my baby
Fuck with my baby

(Chorus)

Every night up in the club
Gettin' money with the thugs
Thought I never fall in love
Then there was you

And I don't wan to be a player no more
Every night up in the club
Trickin' with a different girl
Thought I never fall in love
Then I met you
Girl you changed my mind
