Cum at the same time (Ohhhhhh)
Cum at the same time (oh ba-ba-ba-ba-ba-baby, we'll)
Cum at the same time (Baby ohh oh girl)
Cum at the same time (Shawty Shawty Baby)
You lie at the head, I lie at the foot
Now if you ask me, I think that that's a good look
I'm on top of you, making you feel it
I look up in the mirror, and see that ass in the ceiling
We'll be curling our toes, while screaming God dammit
Girl just let me know that my access is granted
I kiss on your neck and move on up to your ear
Aint nothing greater than us lying right here
I really love the way we smooching
Smooching is something that I do to get started and
get you open
And I love the way you tease me
Oh I like the way you do that
You like the way I do this
So let's

Cum at the same time (oh baby hold my hand and
we'll)
Cum at the same time (Girl you look in my eyes, I look
in your eyes and we'll)
Cum at the same time (ohh baby baby baby baby we'll)
Cum at the same time (Shawty Shawty)

You like pleasing me, and I like pleasing you
See you like that kinky shit and I like it too
We're the perfect match yeah, sex at its best
You're my pussycat yeah, and I'm your hot mess
When I flip you over baby, you like it
The way you wind it for me baby, girl I like it
Now I'm about to hit it, like a honey moon night
So girl grab the sheets and bite the pillow tight
You's about to get it
If you really want it
Girl Im'a jump on it
After that I'm gonna own it
It's the R to the O to the B in case you didn't know
Girl I'm a pro, so let's

Cum at the same time (ohhhh ohhh)
Cum at the same time (ohhh baby baby baby baby
baby)
Cum at the same time (you look in my eyes, I look in
your eyes and we'll)
Cum at the same time (Shawty shawty)
[At the Same Time Lyrics On]
Oh girl I never knew sex like this (nowhere)
It's like I have been blessed (I have been blessed)
The way we close our eyes
(Just imagine that we're cumming at the same time)
(Sing it girls)

Oh girl I never knew sex like this (nowhere)
It's like I have been blessed (I have been blessed)
The way we close our eyes
(Just imagine that we're cumming at the same time)

Cum at the same time (girl take my hand and we'll)
Cum at the same time (you look at me, I look at you and
baby we)
Cum at the same time (oh baby baby baby baby baby)

I gotta go ya'll
But before I go
There's one thing I wanna know
Turn the radios off, listen

Are you cummin? Ohh I gotta know pretty baby yeah
So I can meet you there. Please play this song before
somebody gets pregnant

4th quarter, R-O-B
