My mind's tellin' me no  
But my body, my body's tellin' me yes  
Baby, I don't wanna hurt nobody  
But there is somethin' that I must confess to you

(I don't see nothin' wrong)  
Ohh  
(With a little bump & grind)  
With a little bump & grind  
(I don't see nothin' wrong)  
Hey, baby, hey I

(I don't see nothin' wrong)  
I don't see nothin' wrong  
(With a little bump & grind)  
With a little bump & grind  
(I don't see nothin' wrong)  
Hey, ohh

Lookie here  
See I know just what you want  
And I know just what you need girl  
So  
(So baby, bring your body to me)  
Hey, hey, hey, bring your body here

I'm not foolin' around with you  
Baby my love is true with you  
(With you is where I wanna be)  
Is where I wanna be  
Girl you need someone, someone like me, yeah  
To satisfy your every need

(I don't see nothin' wrong)  
I don't see, I don't see nothin' wrong  
(With a little bump & grind)  
With a little bump & grind  
(I don't see nothin' wrong)  
Baby, baby, I don't see

(I don't see nothin' wrong)  
I don't see

(With a little bump & grind)  
Nothin' wrong with a little  
(I don't see nothin' wrong)  
Bump & grind, baby, hey

You say, he's not treatin' you right  
Lady, spend the night  
I'll baby  
(I'll love you, like you need to be loved)  
Girl, won't you try some of me

No need to look no more  
Because I've opened up my doors  
You'll never baby  
(You'll never want another love)  
You'll never find another me

You see you need someone, someone like me, yeah  
To make love to you baby, constantly

(I don't see nothin' wrong)  
I don't see, hey, nothin' wrong  
(With a little bump & grind)  
With a little bump &  
(I don't see nothin' wrong)  
Grind, ohh

(I don't see nothin' wrong)  
I don't see nothin' wrong  
(With a little bump & grind)  
With a little bump & grind  
(I don't see nothin' wrong)  
Baby, baby, alright

(I don't see nothin' wrong)  
I don't see, I don't see nothin' wrong  
(With a little bump & grind)  
No girl  
(I don't see nothin' wrong)  
I don't see, I don't see nothin' wrong, baby

(I don't see nothin' wrong)  
No, no, no, noo  
(With a little bump & grind)  
(I don't see nothin' wrong)  
Nothin' wrong, nothin' wrong, nothin' wrong

(I don't see nothin' wrong)  
Baby, baby, baby, baby, baby  
(With a little bump & grind)  
Baby, baby, baby

(I don't see nothin' wrong)  
Come on, come on, come on
