R. Kelly - Butterfly Lyrics

There's no such thing as pain when I'm with you
And it will never rain as long I'm around youuuu
My struggles don't exist since I met youuu youuu
Don't have to search nomore since my eyes found
Youuu

I'm honored to be lying here next to you watering
seeds and watching them grow with you

OOO girl this lovemaking bond between us two
Has captivated my whole understanding Boo it's so
unreal to good to be true how I feel when I'm inside
of you something like a miracle but All so spritual
Staring in your eyes while your juices flow

Youre so beautiful Ohh you make my life so
beautiful Girl in my eyes you are my butterfly
Girl you spread your wings just like a butterfly
And then you take flight just like a butterfly
Bouncing through the wind just like a butterfly
And then you landed on me like a butterfly
Girl you warm my heart like a butterfly
And you swoop through my garden like butterfly
Soak up the sun just like a butterfly
And then you landed on meeeeeeeeeeeee I'm so glad
you landed on meeeeeee Bum Bum Bum Bum Bum

I'm so thankful heaven sent peace to meeee
And I'm proud to be sharing the same air you
Breathe whoa whoa whoa whoa whoa
Youre like my summer day, my get away, my
summer breeze, my April spring
Plus whenever I'm near you girl I feel butterflies
within meeeee

I'm honored to be lying here next to you watering
seeds and watching them grow with you

OOO girl this lovemaking bond between us two
Has captivated my whole understanding Boo it's so

unreal to good to be true how I feel when I'm inside
of youuuu Butterfly Girl you spread your wings just
like a butterfly

And then you take flight just like a butterfly
Bouncing through the wind just like a butterfly
And then you landed on me like a butterfly
Girl you warm my heart like a butterfly
And you swoop through my garden like butterfly
Soak up the sun just like a butterfly then you went
and landed on meeee Bum Bum Bum Bum Bum
Bum Bum Bum Bum Bum Bum

Girl Imagine us repositioning like the seasons
Change, You and me making love, mixing our DEA
It's like writing history, with you love is complete
Whoaaaa Whoaaaa Whoa

Girl you spread your wings just like a butterfly
And then you take flight just like a butterfly
Bouncing through the wind just like a butterfly
Girl just like a butterflyyyy, Hey you are my
Butterfly Yea Yea Yea Yea I'm so glad girl
Youuuu landed on me Heyyyy Heyyyy Baby you
landed on me when giving me kisses girl fly me
