(Chorus)

I'm going crazy  
Feels like im losing my mind  
And I don't know what to do  
Seem like I run out of time  
I'm going crazy  
And the gorgeous ring I bought  
Man she don't have a clue that I'm having second  
thoughts

(Verse 1)

Usher man quit playing get it together  
Make up your mind because  
This type of thing is forever  
This is the mirror speaking  
What the hell you gonna do  
What about the ladies and all of your fans and the  
prefans  
But I've been there done that and I'm looking for  
something else  
Somebody to settle down with to share all this wealth  
Ya, but once you see these bounds your locked(locked)  
Ya I know  
No more hanging on the block(block)  
Ya I know  
But the girl is down for me and the girl truly loves me  
And besides that is the real facts and they aint nothing  
in them streets  
What about the family(I know), what about the  
industry(I know), TV and magazines  
Shut up cause

(Chorus)

I'm going crazy  
Feels like im losing my mind  
And I don't know what to do  
Seem like I run out of time  
I'm going crazy  
And the gorgeous ring I bought  
Man she don't have a clue that I'm having second  
thoughts

(Verse 2)

Usher, wait a minute before you say anything else  
Just think about this  
Five years down the line ya'll break up, and she can  
take half your shit(hold up)  
Let me interrupt I remind you were in love  
So back it up(oh)  
Easy killah, I'm just saying I hope you got a pre-nup(oh)  
Said I wanted you to have my baby(ouh ouh)  
And forever to be my lady(ouh ouh)

Ya man but understand this cris  
Hey, im just playing devils eyes again  
Ya, well I'm tired of you and everybody else  
So get the f\*\*\* outta my business  
Well what about your mama  
Even she don't want you to have this wife  
My momma manages my career, player and not my life  
What about the family(I know), what about the  
industry(I know), TV and magazines  
Shut up cause

(Chorus)

I'm going crazy  
Feels like im losing my mind  
And I don't know what to do  
Seem like I run out of time  
I'm going crazy  
And the gorgeous ring I bought  
Man she don't have a clue that I'm having second  
thoughts

(Verse 3)

It will be all over the radio stations  
Girl, Usher got married, will he lose his fans  
And I'll be on the radio stations  
Saying yes I got married, but I still love my fans  
And yes I believe they'll understand  
Are you 100 %(no)  
Are you sure this was meant(yes)  
Is she the one for you(yes)  
Is the love true(yes)  
Then what you waiting for(I dunno)  
Got a change of heart(no)  
Well get out there(whoe) and tell it now

(Chorus) x2

I'm going crazy  
Feels like im losing my mind  
And I don't know what to do  
Seem like I run out of time

I'm going crazy  
And the gorgeous ring I bought  
Man she don't have a clue that I'm having second  
thoughts
