Your lipstick, his collar.. don't bother Angel  
I know exactly what goes on

When everything you'll get is  
everything that you've wanted, princess  
(well which would you prefer)  
My finger on the trigger, or  
(me face down, down across your floor)  
Me face down, down across your floor  
(me face down, down across your floor)  
Well just so long as this thing's loaded

And will you tell all your friends  
you've got your gun to my head  
This all was only wishful thinkin,  
this all was only wishful thinkin  
And will you tell all your friends  
you've got your gun to my head  
This all was only wishful thinkin,  
this all was only wishful thinkin  
let's go...

Don't bother trying to explain Angel  
I know exactly what goes on when you're on and  
How about I'm outside of your window  
(how about I'm outside of your window)  
Watchin him keep the details covered  
You're such a sucker (you're such a sucker)  
for a sweet talker, yeah

And will you tell all your friends  
you've got your gun to my head  
This all was only wishful thinkin,  
this all was only wishful thinkin  
(the only thing that I regret is that I, I never let you hold  
me back)  
And will you tell all your friends  
you've got your gun to my head  
This all was only wishful thinkin,

this all was only wishful thinkin

Hoping for the best just hoping nothing happens  
A thousand clever lines unread on clever napkins  
I will never ask if you don't ever tell me  
I know you well enough to know you never loved me  
Hoping for the best just hoping nothing happens  
A thousand clever lines unread on clever napkins  
I will never ask if you don't ever tell me  
I know you well enough to know you never loved me  
Hoping for the best just hoping nothing happens  
A thousand clever lines unread on clever napkins  
I will never ask if you don't ever tell me  
I know you well enough to know...

Why can't I feel anything  
from anyone other than you?  
Why can't I feel anything  
from anyone other than you?

And all of this was all your fault  
And all of this

(I stay jealous)  
I stay wrecked and jealous for this,  
for this simple reason  
I just need to keep you in mind  
as something larger than life  
(she'll destroy us all before she's through  
and find a way to blame somebody else)  
I stay wrecked and jealous for this,  
for this simple reason  
I just need to keep you in mind  
as something larger than life  
(she'll destroy us all before she's through  
and find a way to blame somebody else)  
I stay wrecked and jealous for this,  
for this simple reason  
I just need to keep you in mind  
as something larger than life!
