You have given me the best of you
And you have made my dreams come true
And after all the things that you have done
Girl it makes me say that you are more than a woman

So I'm Dedicating this one to my favorite girl
She's the only woman in the whole wide world
Dedicating this one to my favorite girl
She's the only woman in the world for me

Never thought that love could be so kind
'Till you came and brought me peace of mind
I'll treasure every moment spent with you
Cause no one does the things for me you do

So I'm Dedicating this one to my favorite girl
She's the only woman in the whole wide world
Dedicating this one to my favorite girl
She's the only woman in the world

Dedicating this one to my favorite girl
She's the only woman in the whole wide world
Dedicating this one to my favorite girl
She's the only woman in the world (2 times)
