Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

I used to think about how I was gonna make it  
Struggling day to day, just trying to get this paper  
Hoping the day would come when things would go my way  
And now I'm livin' lavish and all I do is think and say

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

Now I've been around the world and seen so many things  
Partied in every club, nothing but VIP  
I never take for granted these luxuries I have  
Just try my best to answer all of these questions that I ask

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

I used to play the game and like the same old same  
Dreamin' 'bout city lights, it was my only life  
And now this world I chose as if I did not own  
Now I can't go nowhere without you, all wanting to know

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

I used to dream about this life  
Now I'm sitting on first class flights

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

Did you ever think that you would be this rich  
Did you ever think that you would have these hits

Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers

Did you ever think that you would be this rich  
Did you ever think that you would have these hits  
Did you ever think that you would be the don  
Have a crib with a fifty acre lawn

Did you ever think that you would be this paid  
Were the times when your ass was real afraid  
Did you ever think that you would sell out tours  
Have a show with fifty million viewers
