Aye-aye, aye-aye
Aye-aye, aye, uh

Stupid, look at you now
You screwed it all up
You kept gamblin'
And ran out of luck
You thought you was strong
Thought you was so tough
And now all you've got
Is your pride to hold
And that's not enough

Uh, never seen this kind of rain
This change is so strange
Though I feel your absence
It's like a numb pain
Girl, I want to feel again

I don't want to be here
Doin' dishes, dishes
Doin' dishes
I don't want to be here
Doin' dishes, dishes
Doin' dishes
I don't want to be, no

SOS, SOS
Call SOS, SOS
Callin' SOS, SOS
Call SOS, SOS

She gave you the world
And you threw it away
Plus she was your girl
And you're engaged
Inseparable through holiday
Now she's invisible
Gone away

I've been hit by a truck

And I'm bleeding inside
The cure is too far away
And I'm about to die

Never seen this kind of rain
Ooh, this change is so strange
Though I feel your absence
It's like a numb pain, yeah
Girl, I want to feel again

I don't want to be here
Doin' dishes, dishes
Doin' dishes
I don't want to be here
Doin' dishes, dishes
Doin' dishes, no
I don't want to be, no

By the time the sun rise again, (rise again)
I'm hoping you will be with me, cause
I don't want to go on without you
And I don't want to live here without you

I don't want to be here
Doin' dishes, dishes
Doin' dishes
I don't want to be here
Doin' dishes, dishes
Doin' dishes

I don't want to be here
Doin' dishes, dishes
Doin' dishes
I don't want to be here
Doin' dishes, dishes
Doin' dishes
