So amazing, unbelievable, miraculous women you are  
Incredible, unforgettable, you're the world's greatest  
by far  
Sensational, so lovable, my Cinderella you are  
So beautiful, ghetto fabulous, you're the reason I wish  
upon a star

As I lay me down to sleep I pray your heart, I'll always  
keep it  
Hope you feel the same  
So baby come and hop on board my life and  
Just let love take us away

Dream girl let's take a flight  
Far away to a paradise  
Dream girl let's take a ride  
Destination rainbow skys

Dream girl let's kiss and hug  
On a beach with white sand and all white doves  
Dream girl let's cuddle up  
Somewhere, wherever and make sweet love

Baby you are my dream, dream, dream, dream girl

My sunshine, my blue skys, love is who you are to me,  
girl  
My angel, my piece of mind, woman you have come to  
set me free  
Love makin', breath takin', sweet valentines to me  
Heart racin', creatin', and incredible fire within' me

I believe in you and me, together for all eternity  
And I hope you feel the same  
So baby come and hop on board my life and  
Just let love take us away

Dream girl let's take a flight  
Far away to a paradise  
Dream girl let's take a ride  
Destination rainbow skys

Dream girl let's kiss and hug  
On a beach with white sand and all white doves  
Dream girl let's cuddle up  
Somewhere, wherever and make sweet love

Baby this love we make is too good to be true  
Heaven must really love me because Heaven sent me  
you  
(To keep bringin' me joy, baby)  
I don't wanna wake up  
(Givin me love, baby)  
I stay asleep as long as I can have you right here in my  
dreams

Dream girl let's take a flight  
Far away to a paradise  
Dream girl let's take a ride  
Destination rainbow skys

Dream girl let's kiss and hug  
On a beach with white sand and all white doves  
Dream girl let's cuddle up  
Somewhere, wherever and make sweet love

Dream girl let's take a flight  
Far away to a paradise  
Dream girl let's take a ride  
Destination rainbow skys

Dream girl let's kiss and hug  
On a beach with white sand and all white doves
