Verse 1

VIP wit all my thugs, Hennessy make me tear up the  
club  
Drop top V, rollin' on dubs  
Chicken heads, showin' nutin' but love  
So much money  
Hands in the air like what the fuck  
DJ say this mix is the cut  
'cause we be on the flo' like we some rugs  
So come here gurl, give daddy a hug  
Don't play me, like I'm one of these scrubs  
Girl if you don't get yo ass off up here and get yo ass in  
this tub  
So much money  
See I ain't drunk but I'm real nice  
Niggas high like a real kite  
Y'all know this remix is real tight

But I'm a soldier, what I tol' her, I sell doja (I sell doja)  
Want me to hol' her, I don't luh ya, I'm a roller yeah  
And from the heart, don't fall apart girl we could never
