I understand your every needs
And how you feel about the way he left you
Take my hand, come go with me
And let me show you how much I care about you
Girl, when you need someone

Girl, I'll be right there when you need me
All you have to do is just call me
I'll be there for you, girl, it's true
Only for you, oh yeah

If I told you once, I told you twice
That if you need to cry, I'll be your shoulder
Girl, I would never say goodbye
I'll be your miracle, gotta let you know
Girl, if you need someone

Girl, I'll be right there when you need me
All you have to do is just call me
I'll be there for you, girl, it's true
Only for you, oh yeah

You need a man who's
(Honest)
And
(Understanding)

Gotta be
(Satisfying)
And someone
(Belonging)

Girl, I'm gonna be
(Affection)
And I'm gonna be
(Needful)

Girl, you need someone
(Dedicated)
I need you to know that I'll be there
For you whenever you need me

Girl, I'll be right there when you need me
All you have to do is just call me
I'll be there for you, girl, it's true
Only for you, oh yeah

Girl, I'll be right there when you need me
All you have to do is just call me
I'll be there for you, girl, it's true
Only for you, oh yeah

Girl, I'll be right there when you need me
All you have to do is just call me
I'll be there for you, girl, it's true
Only for you, oh yeah
