Baby we both just sittin' here
We need to get somewhere private
Just you and me
Listen it's the middle of the night
We're both just sittin' here
I'm checkin' out body
Hot shorts and tanks you wear
Make me wanna do something freaky to you my baby
Gotta let me know something
'cause I need to know right here we need to get
somewhere yeah we can
Be alone alone somebody's at my crib you got folks at
home so can
We get up on a can we get up on room get up on a
room baby
Just me and you baby me and you I'll go there on you I'll
go there on
You if we get up on this room on a room bubble bath
you and me

Chillin' in the tub babe I'm gonna wash your body babe
and your gonna
Wash my body babe gonna wash my body all I wanna
do is drive you
Crazy yeah baby drive you crazy chorus repeat
throughout you and me
Chillin' on the 55th floor right before we bump we put a
sign outside
The door the more we going up and down the more we
wanting more it's
Getting hot in this car so the hell we waiting for can we
can we get
Up on ca we get up on a room 3x you don't have to go
far to get a
Pice of me you wait in the car while I go get the keys

Door for complete privacy no room service 'cause you
will be the feast
We'll cuddle up with each other I'll go there on this
chair
